NON-CENTS! CAUTION...Likely Painful!

If a fifty cent piece and a quarter were on the Empire State Building, which would jump off first? The quarter, because it has less sense.

If George Washington were alive today, why couldn't he throw a silver dollar across the Potomac? Because a dollar doesn't go as far as it used to.

Why shouldn't you carry two half dollars in your pocket? Because two halves make a whole and you could lose your money.

Why was the skunk arrested for counterfeiting? Because he gave out bad scents.

What do you get if you cross a sorceress with a millionaire? A very witch person.

What happened when the cat swallowed a coin? There was money in the kitty.

What do you call counterfeited German currency? Question marks.

If you take half from a half dollar, what do you have? A dollar silly!

...Ok, THAT'S ENOUGH!!!
