Old Business:

- There is no change to membership medal status; it is still in production by Penny Press.
- Greg Coburn provided an overview of VNA show results. There were 90 dealers with over 1000 visitors throughout the three days open to the public. By all accounts, it was a very successful show.
- The youth programs were also a great success thanks the efforts of Billy Hoovler and many, many others.

New Business:

- The V. President will be assembling a list of volunteers for monthly meeting program talks. Contact Billy Hoovler if you'd like to sign-up for a talk. We'd all be interested in your collecting expertise or interest! Motion made, seconded and unanimously approved for Billy to make up ballots to solicit membership areas of interest for program subjects.

Numismatic Word Origins: " My Two Cents Worth"

An American expression that is taken from the British "my tuppence worth". The phrase is used to offer a sense of politeness and humility to a statement that may seem contentious. It is believed that the phrase originated during the days of \$0.02 postage when someone had the ability to express their opinion in the form of a letter to someone of importance.
