Meeting Summary

Jack called the meeting to order at approximately 7:04P.M.; motions were made to accept the minutes and the Treasurer's report from December. Both motions were accepted unanimously. The ending balance on the Treasurer's report was \$2,614.51. There were 14 members and two guests in attendance at the club meeting on January 19th. Rich Willingham visited the club and shared with us his interest in MPC and Hawaii notes. Welcome Rich!

Old Business – The club discussed lessons learned from the Christmas party to include putting the arrangement with the restaurant in writing and listing it in the newsletter. Discussions ensued regarding how the club should spend its money. Scouting, advertising and the need to keep a substantial balance due to the unpredictability of the future represented some of the discussion highlights. Jack suggested that we list the club library contents in the newsletter and asked Gregg to get an inventory together. Jack also discussed the encased coin for next year. Foreign coins, the U.S. Philippine Nickel and Indianhead pennies seemed to have the most interest.

New Business – Jack asked for volunteers for Boy Scout counselor but no immediate interest was conveyed during the meeting. Please give the idea some consideration and let Jack know if you are interested. A bus trip to an upcoming coin show was also discussed. Gregg has a contact that he can check with. If the club is going to try to arrange something for the March show in Baltimore, planning will take place during the February meeting. Gregg talked about the Alexandria show on 11 Feb.

Show and Tell – Jack showed a challenge coin from the CIA
