## Meeting Summary – January 2022

- The Rappahannock Coin Club met 19 January 2022, at I-Hop at 10 Simpson Rd Fredericksburg, 22406. Located at the junction of Rt. 17 and I-95. This was the first meeting of 2022 and our first trying I-Hop. The meeting was called to order by the club Vice President Jack Bell at 7:00 p.m. There were 14 members and 2 guests present. Gregg gave the treasure's report. We currently have \$3,282.47 cents in our account including \$150 petty cash after a purchase of American Silver eagles for our raffles. Mark reported the minutes taken from the previous month. Both reports were accepted by voice vote of the club members present. Dick Cooper won our Raffle of the American Silver Eagle.

### • Old Business

- Elections were held. The club voted for and elected the following slate of officers for 2022.
  - For President - Mark Entner
  - For Vice-President - Steve Hagan
  - For Treasure - Gregg Coburn
  - For Secretary - Jack Bell

### • New Business

- As newly elected President Mark conducted the meeting.
- The Club discussed meeting at I-Hop for further meetings. The advantages of I-Hop is that everyone was happy with the room. It has good lighting and a door we can close. It also has a TV which we can hook up to a computer. For presentations.
- Everyone liked the timely service we received and menu choices.
- Next the club discussed meeting times. Mark Proposed and the club voted in favor of resuming our 6:30 p.m. meeting time.
- Randolph requested a vote on the day of the week we were to meet. The advantage of Wednesdays is that I-Hop has 50% off for seniors. The disadvantage was that everyone is quite used to Thursdays. After discussion, the club present voted to continue to meet on Thursdays. Although we won't get 50% off, the price of meals is very reasonable.
- Mark also proposed that each month we should have a presentation and each month we should have an auction. The club was agreeable and decided we try and do this. Different auction options were discussed and we will try different methods to see which one club members like the best.
- Steve discussed setting up a schedule for presentations and has emailed club members for volunteers. We have a couple already but we will be looking for more.
- Gregg gave reports on upcoming shows and made a pitch for ANA Membership.
