- Steve Hagan gave us an update of meeting program presentations. There are still some open slots for the remainder of 2022. He asked that members considering filling an open slot or try to schedule non-member presentations.
- We continued the discussion regarding membership auctions. As it stands, we will have a traditional auction during each meeting and a three-month silent auction. The secretary will be sending out details soon regarding auction procedures.
- The new meeting location/with private dining /meeting space is working out very well. All attendees have been pleased thus far.

New Business:

- Dues for the 2021/22 membership year were put on hold due to the pandemic but we will begin collecting dues for 2022/23 soon.

Program:

Jack Bell presented a fascinating topic on Biblical coins. It was well received and generated lots of questions and discussion. It should be noted that this was the first presentation at IHOP where the TV was used as a monitor. Jack hooked his laptop to the TV with no problem.

Conclusion:

The meeting adjourned at 8:05pm.

Executive Board (EB) Meeting

The EB met a few weeks ago and discussed several topics but the primary discussion centered around maintaining and attracting new members particularly youth members. This will be discussed as new business at the upcoming meeting.

- All future EB's will be held the first Tuesday of every other month starting in May 2022.
